Subordinate Local Law (Cemeteries) 2012

Chapter 1 Introduction

Part 1 Preliminary

1 Short title

This subordinate local law may be cited as *Torres Shire Council* Subordinate Local Law (Cemeteries) 2012.

2 Objects

The object of this subordinate local law is to provide the detailed information called upon in *Torres Shire Council Cemeteries Local Law 2012* to:

- (a) Empower the local government to establish public cemeteries; and
- (b) Provide for the proper management and control of public cemeteries in the local government area (whether established by the local government or someone else); and
- (c) Regulate the disposal of human remains in the local government's area (either inside or outside a public cemetery); and
- (d) Ensure that proper records are kept about the disposal of human remains within and outside public cemeteries.

3 Definitions

- (1) All terms have the same meaning as those provided for in *Torres Shire Council Cemeteries Local Law* 2012.
- (2) In this Subordinate Local Law:-

"Dangerous Object" includes a weapon, explosive or knife.

"Opening Hours" means the hours the local government cemetery is open to the public being between 6:00am and 6:00pm

"Planning Scheme" means the Torres Shire Planning Scheme 2007

Part 2 Local Government Cemeteries

4 Local Law – Section 5 – Administration of cemeteries

- (1) For the purpose of Section 5 of the Local Law, a cemetery authority is established to manage a local government cemetery.
- (2) The local government is taken to be the cemetery authority for local government cemeteries.

5 Local Law – Section 12(1)(b) – Grant of licence

For the purposes of section 12 (b) of the Local Law, the proposed disposal of human remains in a local government cemetery must be consistent with the requirement that the remains must be in a coffin or other water proof container.

6 Local Law – Section 13(3) – Conditions of licence

For the purposes of section 13(3) of the Local Law, conditions that would ordinarily be imposed on a licence to dispose of remains in a local government cemetery are that:-

- (a) Burials must take place between the Opening Hours for the local government cemetery; and
- (b) The licence holder must take all reasonable steps to ensure that:-
 - (i) Environmental harm will not result from the burial; and

- The burial will not result in a nuisance to the (ii) members of the public; and
- The burial will not result in a risk to the health and (iii) safety of the general public.

7 Local Law – Section 14(b) – Bringing of human remains into the cemetery

For the purpose of Section 14(b) of the Local Law, a coffin or other form of container for human remains must comply with the requirement that the coffin or container must be constructed of waterproof material.

8 Local Law – Section 17(2) – Grant of licence

For the purpose of Section 17(2) of the Local Law, the erection or installation of a memorial will ordinarily be expected to comply with the following criteria:-

- The memorial must not encroach on adjoining burial plots; (a) and
- The memorial must be consistent with the existing amenity of (b) the local government cemetery; and
- The memorial must be constructed on suitable weather (c) resistant material.

9 Local Law – Section 18(2) – Conditions of licence

For the purpose of Section 18(2) of the Local Law, the following conditions are conditions that will ordinarily be imposed on a licence to erect or install a memorial in a local government cemetery:-

- The memorial must not encroach on adjoining burial plots; (a) and
- (b) The memorial must be consistent with the existing amenity of the local government cemetery and must be in the accordance with the design approved by the local government; and

(c) The memorial must be constructed of suitable weather resistant material.

10 Local Law – Section 27(1) – General powers to regulate conduct

For the purpose of section 27(1) of the Local Law, the following conduct is prohibited in a local government cemetery:-

- (a) Bringing a dangerous object into a local government cemetery unless the person is authorised to bring the object under the Local Law; and
- (b) Consuming any alcohol in a local government cemetery; and
- (c) Entering or remaining in a local government cemetery when in a state of intoxication or under the influence of alcohol or any drugs; and
- (d) Depositing or leaving any refuse or rubbish in a local government cemetery; and
- (e) Behaving in a riotous, disorderly, indecent, offensive, threatening or insulting manner in a local government cemetery.

Part 3 Other Cemeteries

11 Local Law – Section 32(3) – Term of licence

For the purpose of section 32(3) of the Local Law, the term for which a licence is granted or renewed is to be one year from the date on which the local government grants the licence or renewal.

12 Local Law – Section 33(4) – Conditions of licence

For the purpose of section 33(4) of the Local Law, the following conditions must be imposed on the licence:-

(a) The operator must open the cemetery to the public between the hours of 6:00am and 6:00pm;

(b) The operator must conduct burials and cremations between the hours of 6:00am and 6:00pm.

Part 4 Cemeteries Generally

13 Local Law – Section 42(1) - Standards for disposal of human remains in cemeteries

For the purpose of section 42(1) of the Local Law, the standards for the disposal of human remains in cemeteries are as follows:-

- (a) A grave must be dug to a depth of:
 - (i) For a stillborn child at least 1.2 metres; or
 - (ii) For any other child at least 1.2 metres; or
 - (iii) All other graves at lease 1.8 metres; and
- (b) No more than 2 bodies to be buried in one grave; and
- (c) The upper surface of a coffin must be at least 1 metre below the natural soil surface; and
- (d) Grave plots must be at least:
 - (i) For a single plot at least 2.1 metres by 1.2 metres; or
 - (ii) For a double grave plot at least 2.1 metres by 2.1 metres; or
 - (iii) For a family grave plot at least 2.1 metres by 3.7 metres; and
- (e) Any body interned in a mausoleum or vault must be enclosed:-
 - (i) Firstly in a wooden shell; and
 - (ii) Secondly, in a hermetically sealed shell; and

(iii) Thirdly, in a coffin on the lid of which a metal plate must be placed that has the deceased person's name stamped or inscribed.

Part 5 Disposal Of Human Remains Outside Cemeteries

14 Local Law – Section 45(1)(c) – Application for licence

For the purpose of section 45(1)(c) of the Local Law, an application for a licence authorising disposal of human remains outside a cemetery must include and be accompanied by:-

- (a) Details about procedures that will be undertaken to ensure that environmental harm will not result from the burial; and
- (b) Details about procedures that will be undertaken to ensure that the burial will not result in a nuisance to members of the public; and
- (c) Details about procedures which will be undertaken to ensure that the burial will not result in a risk to the health and safety of the general public; and
- (d) In respect of every burial outside a cemetery, there must be made and maintained records of:
 - (i) the names of all deceased persons buried or whose ashes or other remains are interred in the area; and
 - (ii) the date of interment; and
 - (iii) the specific place of interment within the area; and
 - (iv) any dealing with or concerning the body, ashes or remains of the deceased person after interment including disinterment.
- (e) Where the application for a licence relates to unallocated state land the applicant must obtain the necessary approval

from the Department of Environment and Resource Management who will decide whether the burial can take place. In considering the application the Department will consider the following:-

- (i) Whether the burial requires approval under other legislation; and
- (ii) Whether it would be appropriate for the land or would compromise the present or future use of the land; and
- (iii) Whether access to the grave site would be restricted or denied in the future; and
- (iv) Whether the grave site will be preserved and identifiable in the future.

15 Local Law - Section 46(b)(iii) – Grant of licence

For the purpose of section 46(b)(iii) of the Local Law, the proposed disposal of human remains outside of cemeteries must be consistent with the following criteria:-

- (a) The land on which the burial will take place is suitable having regard to:-
 - (i) The Local Government's Planning Scheme; and
 - (ii) The Local Government's requirement that the land must be in excess of 2 hectares in size; and
 - (iii) The land's flood immunity; and
 - (iv) The land's ground and soil conditions; and
 - (v) The land's topography; and
 - (vi) Environmental matters; and
- (b) There are adequate procedures in place to prevent environmental harm and nuisance;

- (c) The human remains will be placed in a coffin or waterproof container;
- (d) The following records must be kept or put in place;
 - (i) The location of the grave site is to be recorded in a register in the Local Government's Offices; and
 - (ii) The erection of a marker or other means of identification on or around the grave site which stipulates the information required by the Local Government to be recorded on it.
- (e) The Local Government may require that further criteria be satisfied, including details of;
 - (i) The manner of preparation of the grave;
 - (ii) The date on which and the hours between which the burial may be performed.
- (f) Reasonable notice must be given to the Local Government of preparation of the grave to enable the Local Government to enter land and inspect the grave before the burial.
