1 Purpose

In recognition of the efforts of residents of the Shire, Torres Shire Council has formulated a Grants to Community Organisations Policy to provide financial and other forms of assistance through which the Council will help develop, strengthen and enhance the capacity of individuals and organisations to provide services and activities of benefit to the Torres Shire Community.

2 Provisions

The Council will allocate total annual **funds not to exceed \$5,000** dependant on the respective annual budget and may advertise for submissions for grants each financial year. Grants may take the form of monetary donations, reimbursement of net general rates, reimbursement of Council fees or a donation equivalent to the cost of plant hire.

3 Eligibility Criteria

Each application for assistance submitted for a grant will be considered by applying the following criteria:

- (a) Organisations must be community based and provide services and activities of benefit to Torres Shire residents.
- (b) The objective of the organisation must be solely non-profit making.
- (c) Organisations that operate a licensed premises and/or gaming machines will not be eligible for assistance.
- (d) State and Commonwealth Government agencies will not be eligible for assistance.
- (e) Organisations should be incorporated or sponsored by an incorporated body.
Organisations that are not incorporated may be eligible for assistance under this policy provided that the organisation meets all other criteria.
- (f) All organisations requesting assistance will be required to make a submission on each occasion with the exception of rate reimbursements where the term of the assistance is determined by Council.

Note: Preference will be given to requests towards a specific project, eg, fee relief towards a building project, or work to be carried out for safety reasons.

4 Monetary Donations

Monetary donations, aside from sponsorship, will only be given towards specific capital Projects and seeding grants. Proof of full or partial completion of the project within the financial year will be required before funds are paid.

5 Rate Reimbursement

Reimbursement of rates will be for net general rates only. No utility charges, eg: water or sewerage charges, will be refunded.

6 Fee Relief

All applicants seeking a concession regarding fees must make a written application to Council. Approval may be sought for the reimbursement of one-off application fees, eg: building application fees, sport and recreation facilities hire, etc. However, the fees must be paid to Council prior to payment of donation. If not taken up, approval will lapse at the end of the financial year. Annual licence fees will not be considered. Where Council grants a fee concession, that concession will be paid from Council's donations item and paid to the applicant granted the concession.

7 Plant Hire

The Council will provide assistance to organisations by allowing plant to be made available to organisations when not required by Council provided the plant is operated by Council personnel. The donation amount will be calculated in accordance with Council's current rates and charges for plant hire and wages and include travel time and stand down time. The Chief Executive Officer has delegated authority to approve plant hire donations to a limit of \$1,000. Donations may be refused if Council's plant hire donations budget is fully allocated.

8 Administration

The maximum level of financial assistance allocated to the donations budget will be determined each year within Council's annual budget process.

Requests for monetary donations, grants, rate reimbursements or fee relief will be considered by Council on an "as needs" basis and Council will determine which, if any, organisations will receive assistance in accordance with the above criteria.

In any one financial year an organisation will be limited to:
